

OCTRU CLINICAL TRIALS COURSE –

SUCCESSFULLY DESIGNING AND GETTING YOUR CLINICAL TRIAL FUNDED

*A ONE DAY COURSE FOR THOSE WISHING TO BE A CHIEF INVESTIGATOR ON THE
DESIGN AND CONDUCT OF CLINICAL TRIALS*

FRIDAY 10TH JUNE 2016, 9.15AM-4PM

LECTURE THEATRE, BOTNAR RESEARCH CENTRE, OXFORD

Aim: To provide those wishing to be a chief investigator with a greater understanding of how to design and conduct their own clinical trial and the secrets of a successful funding application.

Course objectives:

- To understand how to develop a good research question
- To explore the principles of good trial design
- To know where to apply for trial funding
- To understand how to write a successful funding application
- To know how to effectively cost a trial
- To understand the role of a Clinical Trials Unit

Cost: £75

CPD Credits: Approved by the Federation of the Royal College of Physicians for 5 category 1 (external) CPD credit(s)

This course is specifically targeted at new investigators who would like to design and conduct their own trial but have not yet successfully applied for funding.

PLEASE NOTE PLACES ARE LIMITED. Please email octrtrialshub@ndorms.ox.ac.uk for further details.
